

THE ART, OF

Seeing

Observation

Take your time and take note of everything you see.

Implication

What can you imply from this artwork?

What is the setting, figures, mood, emotions, smells, feelings, of what you are seeing?

Analyze

Who is the artist? Where do you think they are from? What is their age? Describe what you believe the artist's intentions were for this piece.

Pre- and Post

We are only seeing a split second of the story.

What do you think happened before and after this scene?
